Declaration concerning the EU REACH Chemicals Regulation
Regulation (EC) No. 1907/2006 dated 18 December 2006

BJB is not a manufacturer or importer of chemical substances, but rather a processor of preparations and articles.

Our products are exclusively articles (not chemicals), consisting of one or more constituent articles, which are not intended to release any substance under normal and reasonable foreseeable conditions of use.

To the best of our knowledge, no ingredients are declared by our suppliers for product-relevant materials and purchased parts, which would result in a concentration higher than 0.1% by weight per article for the substances included on the REACH SVHC Candidate List (*Candidate List of substances of very high concern for Authorisation* <https://echa.europa.eu/candidate-list-table>, updated on 12 January 2017) pursuant to article 33 of Regulation (EC) No 1907/2006 "REACH".

Best regards,

BJB GmbH & Co. KG
